String It Out

Price: \$20.00 for 10 feet, \$5.00 for every 5 additional feet

In the golf string game, players are allowed to move their ball to a more advantageous spot without losing a stroke. When you do so, simply measure the distance you've moved the ball and cut this length off your piece of string.

Example: On the green is the time the string becomes most handy. Missed that tricky putt from 6 inches? Well you no longer have as you can just whip out the string, and cut off 6 inches of length and hey, presto, that last putt is now in fact holed.

\$20.00 + Additional (ft): _____ = Total Due: _____
leave blank if no
additional feet is desired

Hole-In-One Competition

NEW features unique to this year's tournament!

On/Off the Green now Included within Registration

Participation for the on/off the green competition is now included within your tournament registration! Valid on all Par 3 holes. Hit your first shot from the tee box and place your corresponding ticket either in the "on the green" or "off the green" box. One lucky ticket will be drawn from each of the "on" and "off" the green boxes per Par 3 hole. The string game can be used to move your ball from off to on the green if so desired.

Longest Drive now Included within Registration

Participation for the longest drive competition is now included within your tournament registration. Tee off on Hole 1 and try to hit your longest drive. If your drive succeeds, you may write your name on the marker and place it in the fairway. When someone hits a drive beyond the marker, they move it to where their drive ended and write down their name. This continues until everyone has completed play. At the end of the day, the person who hit their ball the farthest on that hole wins the prize!

Beverage Service

Complimentary beverage service will now be provided from 10am – 4pm. Service stations will be located throughout the course along with a drink cart for players' convenience.
