**1st Virtual Membership Meeting
Thursday, September 10, 3 pm HST**

Program: Coronavirus Pandemic Paradigm Shift - A Discussion

One of the goals of this ASHRAE event is to bring the industries together to communicate and share knowledge and experiences of our New Pandemic Normal. Let's continue to channel our communications between industries and trade organizations where we can "Collaborate to Innovate."

ASHRAE is partnering with BOMA, IFMA, Hawaii Energy and HECO. There are no fees to attend this event.
